

UNIFORM GENERAL RULES

It is compulsory for staff of any Brent Oil branded site (garage or diesel depot) to wear the prescribed Brent Oil clothing. No other clothing will be permissible.

The range has been researched and developed with great care in order to ensure that all functional, aesthetic and fashion requirements are met at a reasonable cost.

The lead time on orders will be between two to three weeks. Most items have to be embroidered after order and delivery takes 2 to 3 days.

All sites will be given the following items **free of charge** with the first order:

- 2 x Navy Chino Pants with light blue piping.
- 2 x Brent Oil Ottoman Navy Short Sleeve Shirts (in summer)
- 2 x Cotton Twill Long Sleeve Navy Shirts (in winter)

This means that short sleeves will be issued free of charge if your first order is in summer and long sleeve shirts if your first order is in winter.

- 1 x Brent Oil Cap
- 2 x Brent Oil Jacket
- 2 x Pairs Navy Cotton Socks
- 1 x Beanie

All other items in the range required by employees will have to be purchased by the relevant site owner.

All orders must be placed with Elene Shepherd at any of the following numbers: (021) 855 5329 or 082 739 0563 or email sheppeak@mweb.co.za or nicolize@brentoil.co.za

The range will be evaluated and reviewed on a continuous basis and feedback can be directed to Elene in Cape Town at the contact details provided who will ensure that Brent Oil management are kept informed. She will also initiate the necessary changes where these are deemed necessary and appropriate.

It is imperative, for the sake of brand integrity, that staff appear clean and neat at all times. Owners could therefore be required by Brent Oil to replace clothing items due to wear and tear and or negligent damage. Brent Oil would however prefer that owners institute the necessary actions on their own volition when this is required. To this end it is also imperative that the washing instructions included in this electronic price list, are carefully studied and communicated to staff.

Should any owner wish to discuss any aspect pertaining to the range, he / she may contact Elene Shepherd at the numbers previously provided, or alternatively if she cannot be reached or an issue cannot be satisfactorily resolved with her, then the matter can be raised with the Managing Director - Retail - Dennis Shepherd at (021) 880 2739 or 082 558 5663.

On placing orders the following details are required:

01. Identify group for which clothing is required i.e. petrol attendants, kitchen staff, shop staff or management.
02. Specify whether clothing is required for males or females.
03. Identify each employee by name and for each of these supply pant size i.e. 28, 30, 34 etc and shirts or tops i.e. small, medium, large etc. (see sizing range in price list).
04. Read washing instructions attached to garments and follow them. This will facilitate a longer life for the garment.
05. Please note that all prices are exclusive of VAT and delivery charges.
06. Please provide the name and contact details of the relevant contact official at the site.
